Sir:

Upon further review of our files, we have discovered an error on the Information Disclosure Statement that was filed January 12, 2006. The fact that the Chinese Office Action, dated November 2, 2005, was cited in a communication from a foreign patent office not more than three months prior to January 12, 2006 was not indicated on the Information Disclosure Statement filed January 12, 2006. The appropriate boxes have been checked in red to indicate this fact on the attached copy of the Information Disclosure Statement. We respectfully request the Examiner to review and consider this Chinese Office Action and enter it in the above-referenced application. A copy of the reference is also attached for the Examiner's convenience.

Respectfully submitted,
